#### Notification

1/4/2009-II/PHD/Part I

Read: (1) Government Notification No. 1/8/2003-II/PHD dated 11-03-2004, published in the Official Gazette, Extraordinary, Series I No. 50 dated 11-03-2004.

(2) Government Notification No. 1/8/2003-II/PHD dated 21-03-2005, published in the Official Gazette, Extraordinary, Series I No. 51 dated 21-03-2005.

The Government of Goa is hereby pleased to make the following rules so as to further amend the Goa (Rules for admission to post-graduate degree and diploma courses of the Goa University at the Goa Medical College) Rules, 2004, namely:—

1. *Short title and commencement.*—(1) These rules may be called the Goa (Rules for admission to post-graduate degree and diploma courses of the Goa University at the Goa Medical College) (Second Amendment) Rules, 2015.

(2) They shall come into force from the date of their publication in the Official Gazette.

2. *Amendment of rule 3.*— In rule 3 of the Goa (Rules for admission to post-graduate degree and diploma courses of the Goa University at the Goa Medical College) Rules, 2004 (hereinafter called the “principal Rules”), for sub-rule (3), the following sub-rule shall be substituted, namely:—

“(3) *Order of merit.*— (i) The order of merit for admission to the post-graduate degree/ /diploma seats shall be determined by combination of aggregate marks secured in MBBS examination conducted by University and All India Post-Graduate Medical Entrance Examination (AIPGMEE) merit score in the following manner, namely:—

(A) 50 percent weightage shall be allocated to aggregate marks secured in MBBS examination. The 50 percent weightage of aggregate marks shall be arrived at by totalling the marks obtained in all subjects of the 1st, 2nd and 3rd MBBS examinations and by reducing it to a percentage after the following deductions, namely:—

(a) 5 percent of marks shall be deducted for every failure from the marks of the subject in which failed.

(b) 5 percent of marks shall be deducted from the marks of the subject in which the student has taken a drop.

*Note:* A drop shall be considered each time when a student does not appear for University examination where he is due to appear along with other students of the same batch. However, if a student was detained or had taken a drop, on account of late allocation of MBBS seat at the time of joining 1st MBBS course or on a valid sickness ground supported by appropriate documentary evidence to the satisfaction of the Dean prior to the said University examination, it shall not be considered as a drop in the subject/ examination.

(B) The balance 50 percent weightage shall be towards the marks scored by the applicant at the AIPGMEE examination for the concerned academic year.

(ii) If two or more candidates score the same marks in the combined merit list as drawn above, the marks obtained in the subject shall decide the merit. In case the subject marks are also the same, the total marks secured by the candidates in the final MBBS Examination or total marks of IInd MBBS Examination or total marks of the 1st

MBBS Examination, depending on whether the candidate is seeking registration in the clinical, para-clinical or pre-clinical subjects respectively, shall decide the merit.

(iii) A candidate, who has failed three times in a particular subject, shall not be eligible for registration of the degree or diploma for which the marks of that subject are considered.

(iv) For admission to the post-graduate degree and diploma courses, the candidate belonging to the general category shall be required to obtain minimum 50 percent, and the candidate belonging to the Scheduled Caste, Scheduled Tribe and Other Backward Class shall be required to obtain minimum 40 percent, of aggregate marks in MBBS Examination as determined under (i) (A) above.”.

*Note (1):—* “Marks obtained in the subject” means the actual number of marks secured in the subjects shown in the table below at the University examination:—
